1st	2nd	3rd	4th	5th	6th	7th	8th
2,007	424	122	80	48	23	5	1

General Comments

Classifiers noted cows are very quiet and gentle on all sites, which made working in the pens very easy. Classifiers were also complimentary of all staff that they interacted with on the farms.

5 NEW EXCELLENT COWS (90+ points)

ELM-KAN-MFF OUTSIDERS 48484 (3 yr-7mo) EX-90 with a 91 point mammary system
